Product designer with 15+ years of experience turning complex problems into simple and considered solutions.

EXPERIENCE

Staff Product Designer

Preply

Jan 2021 – Mar 2026 · Barcelona

Grew from Product Designer to Staff. Worked on Growth teams, looking after Preply's upper funnel, then led design for Retention, Learning and Tutor experience.

Senior Designer

Booking.com

Jan 2016 – Dec 2020 · Amsterdam

Worked on customer- and partner-facing projects, and built scalable tools that automated and simplified the work of customer service agents.

UX Designer

Chaordic

Jul 2013 – Nov 2015 · Florianópolis

Designed personalisation products for some of Brazil's biggest e-commerce sites (over 5 million visitors a day), from client research and interface design to front-end code and A/B tests.

UX Designer

E3C Tecnologia

Jan 2011 – Jun 2013 · Florianópolis

Worked closely with business and engineering teams on international web and mobile projects, from feature conception to launch.

EDUCATION

Universidade do Vale do Itajaí

Postgraduate specialisation
User Experience Design
2014 – 2015 · Brazil

Universidade Federal de Santa Catarina

Bachelor of Applied Science
Graphic Design
2007 – 2011 · Brazil
